Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course.

If at the end of a payment period the student fails to maintain a passing grade point average or failed to successfully complete the clock hours of the percentage required to maintain a progress level (pace rate) that would allow the student to complete the course within the maximum time frame in the course, as published in the school catalog, the student will be placed in an ineligible status for financial aid funds and will be provided counseling.

COURSE INCOMPLETENESS

Course incompleteness, repetitions and non-credit remedial course are not applicable to this institution's form of instruction.

ATTENDANCE

Full Time students are required to attend a minimum of 35 hours per week.

Part Time students are those students who must attend 28 hours, but less than 35 hours per week.

LEAVE OF ABSENCE POLICY

Occasionally students may experience extended personal, medical, or unforeseen events which may impede them from attending class for an extended period of time. Wayne's College of Beauty allows for these unique circumstances by allowing a Leave of Absence (LOA) from the program. However, LOAs can only be granted under special circumstances and if the request is formally made in writing, submitted in advance by the student and includes the reason for the student's request and the student's signature. Approval may be granted by a Wayne's College of Beauty supervisor. All students must adhere to the institution's Leave of Absence policy when requesting an LOA.

The student must request the Leave of Absence in advance unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to school, the student would not have been able to request the LOA in advance.

We may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the school documents the reason for its decision and collects the request from the student at a later date. In this example, **the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident.**

Wayne's College of Beauty will consider approval of a LOA if there is a reasonable expectation that the student will return from their Leave of Absence.

Whether the circumstances are for personal or unforeseen events LOAs are granted for 30 days. In rare cases, such as a serious medical condition an LOA may be granted for up to 6 (six) months providing there is a written request from the student's physician.

Wayne's College of Beauty recommends that unless there is a serious need, do not request an LOA. LOA's can only be granted once every 12 months. Students returning from authorized LOAs will retain all credit for clocked hours and projects completed prior to their departure. Additionally, students returning from authorized LOAs will also resume their academic progress status held prior to their LOA departure. Once you return from a LOA the school will extend the student's maximum time frame and the contract period by the same number of days taken in the LOA. Changes to the contract period on your enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.

Wayne's College of Beauty will not assess the student any additional institutional charges as a result of the LOA. Please note, the LOA together with any additional leaves of absence previously granted must NOT exceed a total of 180 calendar days in any 12-month period. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.

PLEASE NOTE: Any student that does not return to school at the expiration of their approved LOA, or a student takes an unapproved LOA, the withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

GRADING SYSTEM

Students are evaluated on a regular basis on THEORY and PRACTICAL work. The evaluations are measured on a standard grading system based on a percentage point grade. Evaluation forms are issued to students at the following intervals of their program (as stated on page 14). The evaluation forms reflect the overall attendance and the academic and clinical progress of each student.

PLEASE NOTE: Each student **MUST** maintain a **(70%)** or **“C”** average to maintain a satisfactory academic status.

Grading System:

	Superior Performance	100% - 90%	= A
	Above Average	89% - 80%	= B
<i>Minimum Academic Status</i> ----->	Average	79% - 70%	= C
	Unsatisfactory	69% - 60%	= D
	Fail	59% - Bellow	= F

VACCINATION POLICY

At this time, Wayne's College of Beauty, does not have requirements regarding vaccinations. You may seek vaccinations at the local health department.

TIME ACCRUAL POLICY

The State Board of Barbering & Cosmetology only recognizes the systemic clock in hours of attendance. As a result of this requirement, Wayne's College of Beauty can only allow clock hours for credit to students who record their time and attendance using the electronic clock at the beginning and ending of each day, including their lunch period.

The grace period for clocking-in is seven (7) minutes at the beginning of each class in order to receive credit for (1/4) of an hour at the beginning of the day and at the beginning of a student's lunch period.

Please note: once a theory class has begun, no one is allowed to enter and disrupt the classroom under any circumstances.

At the conclusion of each week a new timecard is prepared based on the previous accruals of the previous timecard. Weekly time accruals are carried forward in the new timecard as an accumulative total reflected in the cumulative column and as such time is carried forward with each time card. All timecards **MUST** be signed weekly by the student and the instructor.

Time cards reflect the student's weekly record of hours and operational tasks. It is of the utmost importance for hour and operational tasks are accurately reflected in time cards. All timecards need to be legible to ensure accurate credit and proper transfer of time and operational tasks to the roster of official file.

Timecards are the exclusive property of Wayne's College of Beauty and as such, they are to remain in the school premises at all times. Upon arrival to school premises and clocking-in, each student is expected to be properly groomed in required and mandated uniform. All non-Wayne's College of Beauty academic material or activity is not permitted, nor is it tolerated.

There is a zero tolerance policy in engaging in non-school activities, reviewing or focusing on materials which are not directly related to a student's course, assignment, or training. A student who engages in these activities will be required to immediately cease such activity and/or clock-out for the remainder of his/her day. Continuous activities of such nature can result in termination and or suspension.

TIMECARD CREDIT GUIDE

The following is used by instructors in order to issue credit accordingly.

- Each Theory must be initialed in the correct category. If the category has been completed the instructor may issue credit according to his/her discretion.
- The portion of the timecard titled "Theory Hours Earned" reflects hours earned through class attendance and instructor demonstrations.
- The portion of the timecard titled "Operations" reflects the hours a student has applied in performing the practical subjects.
- Some practical operations may take longer to perform according to the student's ability to acquire new skills.

Note: The following are timed allowances imposed by the California State Board of Cosmetology for each specific operation.

Shampoo/set = 1 ½ hours (90 Minutes)

Permanent Wave = 2 to 2 ½ hours (120 to 150 minutes)

Manicuring = ½ hour (30 Minutes)

Scalp Treatment = ½ to 1 hour (30 to 60 Minutes)

Facial = 1 ½ to 2 hours (90 to 120 minutes)

REFUND POLICY

After the cancellation period, the institution provides a pro rata refund of **ALL** funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (**including absences**), there will be no refund to the student. If the student has received federal student financial aid funds, the student may be entitled to a refund of monies not paid from federal student financial aid program funds.

The registration fee of \$ 75.00 is a **non- refundable item**.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student’s notification or school’s determination.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.

Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Refunds: If any refunds are due based on the Return of Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG, 10) Other. School Closure: If the school closes subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the course at schools in the neighborhood.

Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Post-secondary Education, 1747 N. Market Blvd., Suite 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589 or by fax (916) 263-1897.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number."

All charges stated on page one of this agreement are due and payable prior to the completion of each payment period.

The Title IV aid stated on page one of this agreement are only estimates depending on your eligibility for funds.

Student remains responsible for all incurred charges.

A monthly payment plan has been arranged for you. **The plan is to make ____ payments due on the first of each month for the monthly amount of \$ _____.and a final payment of \$ _____.**

Equipment received and accepted by the student is NOT REFUNDABLE after cancellation period.

You are responsible for the total amount of charges stated on page one of this enrollment agreement.

Should the student complete the program earlier than the estimated timeframe stated in the contract, the student's financial aid package may be recalculated and may result in liabilities owed by the student and/or institution, if applicable.

As stated on page one, after the on time graduation date, the student will be responsible for additional tuition needed to complete the course by hour or per week. There will be no Financial Aid available for this period.

Course Description: The _____ course study is designed to prepare students for the state licensing examination and for employment as a ____.

Graduation Requirement: When a student has completed the required number of program hours and the number of theory/practical operations in Cosmetology, Esthetician, Manicuring and/or Barbering with a GPA of "C" (70%) or better the student will be awarded a certificate of completion certifying satisfactory completion of all requirements.

STUDENT'S RIGHT TO CANCEL: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (**first day of classes**), or the seventh calendar day after enrollment (**seven calendar days from the date when enrollment agreement was signed**), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office, a withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to student's lack of attendance.

Refund Policy: After the cancellation period, the institution provides a pro rata refund of **ALL** funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (**including absences**), there will be no refund to the student. If the student has received federal student financial aid funds, the student may be entitled to a refund of monies not paid from federal student financial aid program funds.

A registration fee of \$75.00 is a **non-refundable item**. Equipment, books, supplies, tools, uniforms, kits and any other items **issued and received by the student** would not be returnable. **Once received** by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

Return of Title IV: Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Student Tuition Recovery Fund (STRF): 5, CCR § 76215 (a)

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market, Suite 225 Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

Refunds: If any refunds are due based on the Return of Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG, 10) Other. This order would apply in accordance to the aid programs available at the institution.
